USED MOTORHOME FACTORY

2024

Your source for used motorhomes at NADA wholesale prices.

Part of the thl global RV Family

thl USA

WHO WE ARE

We create what we call 'new used units' by leasing them for a period ranging from six to eighteen months before preparing them for wholesale.

Our ability to purchase in large quantities enables us to incorporate both the volume discount and the first year's depreciation into the wholesale selling price.

- Newer Model Used Class A's, B's, and C's
- 50 Years Business History, We've got your back.
- Wholesale crew experience exceeds 100+ years.
- Many Locations across the US
- Lower Mileage rental returns
- Remainder of the Chassis warranty

El Monte RV and Road Bear RV are two classic pillars in motorhome travel in the United States. Road Bear RV was founded in 1970 and has a lot of European heritage from its founders, who valued quality and outstanding service above anything else.

Both El Monte RV and Road Bear RV are now under one family of RV brands owned by tourism holdings limited, a New Zealand based company with global footprint and largest global presence and sales across continents.

We wanted to create a special certification program for our sales units that could emphasize our focus on quality, service, and reliability. Out of this, Road Bear Certified badge was born. We place it on every unit for sale after it goes through a rigorous inspection and is truly ready to hit the road with a new family on board.

WHY US

01 PRICE

Our used motorhomes feature some of the best pricing on the market. El Monte RV sales is renowned for offering the cleanest and best quality used RVs at unbeatable pricing.

02 FLEET

Gently used late model fleet. We offer everything from luxurious class As to nimble class Bs and a wide range of class Cs. Every El Monte RV and Road Bear RV unit has been meticulously maintained after every rental to deliver the highest quality possible for our customers.

03 SAFETY

Expertly maintained with a thorough multi-point inspection before and after every rental, and before the RV enters the sales fleet. Minimum of one tether anchor as well as safety nets for all cab-over beds in all Class C and Class A vehicles.

04 FEATURES

All units are packed with features like awnings, cook-tops, entertainment systems, and back-up cameras. Stylish interiors and functional storage in every unit.

OUR QUALITY STANDARDS

ATTENTION TO EVERYTHING

Comprehensive multi-point inspection

Every used RV receives a thorough multi-point inspection by trained professionals.

Priority after sales service

An assigned concierge professional to take care of your after sales needs.

Buy with confidence

We stand behind everything we sell. With over 50 years of experience you can trust that we'll stand behind everything we sell.

Cost savings

We promise to offer incredible pricing on our well-maintained fleet of late model used RVs.

Expertly maintained vehicles

We promise that every RV on our sales floor has been meticulously maintained by our team of experienced, professional mechanics and service leaders.

Tested performance

We promise that our used motorhomes have successfully completed rigorous testing and passed thorough quality assurance benchmarks.

Professional sales prep

We promise that all of our high-quality used RVs have undergone our standard multipoint sales prep ensuring that what we sell exceeds industry standards.

REASONS TO SELL A RENTAL MOTORHOME

01

COST SAVINGS

Rental motorhomes are often available at a more economical price compared to new ones.

02

WELL-MAINTAINED

El Monte RV ensures our vehicles are meticulously maintained, guaranteeing that you receive a motorhome in excellent condition.

03

TESTED PERFORMANCE

As former rental vehicles, they've undergone routine maintenance and testing, providing you with confidence in their reliable performance.

04

REDUCED DEPRECIATION

The initial depreciation has largely occurred during the rental period, minimizing potential depreciation losses for you.

05

SALES PREP

As former rental vehicles, they've undergone routine maintenance and testing, providing you with confidence in their reliable performance.
